

Manufacturers Mid-Way & Vendor Information

The 2017 Nationals will take place on August 11 - 13th, at National Trail Raceway. This year's event (*our 37th Annual*) should be another great year as the hobby continues to improve and people are spending money again to restore their cars or adding high performance modifications. Last year's event was a complete sellout in the Vendor Midway and almost in the Swap Meet Area. We can only suggest that you reserve your space early this year or possibly be left out! As with each year, we make every effort to renew space assignments, but with new displays and track improvements, etc., this may not be possible in all cases. **The Renewal Deadline date is June 15, 2017**, after this date space reservations will be taken on a first-come first served basis and we will start to backfill empty spaces. **NOTE: USE THE MAILING ADDRESS GIVEN ON THE VENDOR CONTRACT.**

The Midway will be located behind the main grandstands on the Pit Side. The General Swap Meet will be located in the North-East corner of the track on the Pit Side. The spaces are aligned in rows. Therefore, **your vehicle must fit within your vendor space or be parked in the Vendor Parking Lot**, which is located just north of the swap meet at Gate H or for the Midway Gate A. Space preference will be given to past year participants and in order of applications received.

DATE OF EVENT - The 37th Annual Nationals will take place at National Trail Raceway, which is located just outside of Columbus, Ohio on August 11-13, 2017.

MANUFACTURER/VENDOR CONTRACT - Enclosed is a Manufacturer/Vendor Contract along with other important information on the event. Please read all documents and fill out the application legibly and completely. Return it along with your payment in **FULL**. Space assignment considerations will be based on those vendors which are sponsors and those that have participated in past years. Afterwards, space assignments will be made on a first-come, first-serve basis. Your timely return of the contract will assure you and your company the best possible placement. The General Swap Meet area will be positioned in the back portion of the track, while the Mid-Way will be located towards the front entrance of the race track.

TABLE, TENT & CHAIR RENTAL - The show is held outdoors. If you wish to rent any tables, tents, chairs etc., (Tents must be of the frame type to fit within your space dimensions) include your requirements with your vendor contract along with payment based on the enclosed rental pricing sheet. All rentals MUST go through the Nationals, Inc. Some Midway spaces may require the use of water barrels to secure the tent rather than staking. This is at the renters' expense. NOTE: Vendors are liable for any missing rental equipment. **Due to problems with missing tables and chairs, vendors renting these items will be required to check out and check in their tables and chairs. Failure to do so will hold the vendor responsible if the rented items are missing.**

ACTIVITIES - Restoration, Technical Seminars and Demonstrations are encouraged by the vendors offering these services. If your company would like to participate or hold a Seminar, please contact us. Seminars can be scheduled at the race track in a tent atmosphere or at the tower.

SET UP/TEAR DOWN - On Thursday, August 10, 2017 between 9:00 am and 6:00 pm we will allow vendors to set up before the event. **Large Trailers are to be set up on Thursday as Friday move-in WILL NOT be allowed until after the days activities are over. Vendors must park their daily transportation vehicles within their space or in the Lot A or H parking lots.** No ATVs, motor-bikes, or golf carts are allowed in the Mid-Way area. If you plan to have an ATV/Golf Cart on the grounds, please include a request for Permit & Registration paperwork with your contract. Absolutely NO ATVs, MOTOR BIKES, or CARTS in the CAR SHOW AREAS. For those requiring a Wednesday setup, this can be provided for an additional fee (\$75). Contact us for times and arrangements.

P.A. ANNOUNCEMENTS - Another **FREE** advertisement for your company when you register in the Midway!! Watch spectators flock to your booth every time your announcement is read! If you wish to send a short commercial (30 seconds or less) to be read over the Public Address System, please send it to Nats Headquarters. All announcements must be typed so they are legible or on a cassette tape or CD and must be received by **July 15, 2017**.

DOOR PRIZES - Another great way to gain exposure for your company and its products, is to participate in the prize drawings that will take place all weekend long. Manufactures/Vendors may send door prizes to the shipping address below or bring them with you to the event. Your name and the product will be announced over the PA system as the donor as well as your companies name will be listed at the Mopar Nationals Tent as a contributing sponsor. Just give us notice if you plan to participate.

RACE CARS IN THE MID-WAY - Cars participating in the drag racing competition must be parked/displayed in the designated pit area due to insurance regulations. **SHOW CARS IN THE MID-WAY** - Show/Display cars in the midway are permitted. However, they will not be allowed to move during show hours and they will not be judged if entered in the Show competition. Display cars must be parked within your space allocation, NOT in the aisle ways.

PERSONAL TRANSPORTATION VEHICLES - **All vehicles MUST be parked within your rented space.** There is NO parking in aisles or in Midway area. Violators will be towed. **This will be strictly enforced!**

APPAREL REGULATIONS - NO VENDORS ARE ALLOWED TO SELL T-SHIRTS, HATS OR OTHER APPAREL IN THE GENERAL SWAP MEET AREA. These items can only be sold in the Mid-Way. If you wish to sell any apparel in the mid-way, please note the following strictly enforced guidelines to avoid costly misunderstandings! The sale of wearing apparel is limited to ONE shirt and ONE hat bearing ONLY your CORPORATE LOGO IDENTITY. The Corporate LOGO MUST BE THE DOMINANT VISUAL. NO EXCEPTIONS!! Sales of other wearables has to be approved by the Nationals.

FOOD/BEVERAGE SALES: No food or beverage sales are allowed on the race track grounds.

SPONSORSHIP PROGRAMS - The Nationals offers many different sponsorship programs for manufacturers and vendors to participate in. These programs are designed to allow vendors to achieve the maximum exposure to the Mopar enthusiasts. Contact us for a listing of some of the sponsorship programs that are available for this year's event as well as next year! Available sponsorship packages are on our web site or you can request them along with pricing through E-mail/US Mail at our address below.

SHIPPING DIRECTLY TO NTR - For those Mid-Way Vendors that want to ship items directly to the race track before or during the event, the track address is: National Trail Raceway, 2650 National Rd. SW, Hebron, Ohio 43025. Make sure you mark your boxes CLEARLY with **your company name** and the **2016 Nationals**. Track Phone number is 740-928-5706.
